BIOGRAPHY

Dr. Miguel Stanley is a private practitioner and a passionate advocate for ethics and quality dentistry with a focus on biological and functional full mouth rehabilitation. He is the founder and clinical director of the globally renowned White Clinic, a Leading Dental Center of the World for over 20 years with a large team of highly skilled doctors, and co-founder of the Slow Dentistry Global Network, a Swiss nonprofit organization.

He is the Vice President of the Digital Dentistry Society, as well as a member of many international scientific and academic organizations and has published several studies and articles over the years. He is a consultant and Key Opinion Leader for leading dental tech companies and holds a license to practice in the UK and Dubai, besides Portugal.

Dr. Stanley is an adjunct professor at the University of Pennsylvania School of Dentistry and has lectured extensively in over 50 countries on many fields of modern dentistry, from cosmetic dentistry to complex oral surgery, practice management and ethics to his “No Half Smiles” treatment philosophy. He is also one of the first dentists to ever give a TEDx talk and host a documentary on dentistry for National Geographic.

He was recently nominated one of the top 100 dentists in the world by his peers. You can hear him on his regular podcast “Biting into Healthcare” and find out more at miguelstanley.com.

CONGRESSES ORGANISED

Sename Congress

12th Sename International Congress lisbonsename2015.com

SENAME addresses all matters related to implantology, a specific area of Dental Medicine and organizes an annual congress inviting the world's most famous doctors and scientists to share their knowledge. SENAME was founded in 1999 and it is represented internationally in 17 countries. SENAME strongly invests in the future of implantology and in 2015 held its annual event in Lisbon, hosted by Doctor Miguel Stanley. The event supported development and research in the field of implant dentistry and promoted new talents. Named "The Future of Dentistry" this event included 23 world recognised keynote speakers.

SOCIAL AND CHARITABLE CONTRIBUTIONS

Mundo a Sorrir

mundoasorrir.org

White Clinic helps underprivileged children with free dental care, including orthodontics so that they can look better and earn a better living in the future. Dr. Miguel Stanley personally helps promote and develop the association, being its active member. In December 2016, Dr. Stanley organised a concert in which he performed 12 original tracks to an audience of over 300 people with all profits being donated to Mundo a Sorrir and The Humble Smile Foundation.

The Humble Smile Foundation & The Humble Brush

humblesmile.org

Association that helps children in need of oral care and produces eco- logical, biodegradable bamboo toothbrushes. Dr Stanley is a global Ambassador since 2016.

END IOM

endiom.org

Dr. Stanley was invited by Prof Raman Bedi, (Kings College London and former CDO of the United Kingdom) to lead the fight against Infant Oral Mutilation as part of The Global Child Dental Fund.
