

Miguel Stanley

Biography

One of the top 100 dentists in the world and one of the “32 Most Influential People in Dentistry”, Dr. Miguel Stanley has dedicated 25 years to advanced dentistry and the undeniable connection between oral health and general health. Actively driving innovation, he has been introducing novel concepts and therapies at White Clinic, which he founded in 1999, delving into regenerative medicine, longevity, and the development of biological, integrative and functional dentistry and medicine.

He is the co-founder of the Slow Dentistry Global Network, a non-profit organization focused on improving patient experience and safety during a visit to the dentist, with members in over 60 countries. He is the Vice President of the Digital Dentistry Society, as well as a member of many international scientific and academic organizations, and has published several studies and articles over the years. Recognized as a pioneer in clinical implementation in many areas of advanced technology, he is a consultant and key opinion leader for leading companies in the industry. He has a license to practice in the UK and Dubai, but practices exclusively in Portugal.

Dr. Stanley is an adjunct professor at the prestigious UPenn, the University of Pennsylvania in the USA, and has given over 250 keynote presentations in more than 50 countries, on topics such as advanced implantology, prosthodontics, complex oral surgery, aesthetics, practice management and ethics, as well as his world-famous “No Half Smiles” work philosophy.

He is one of the first dentists to ever give a TEDx talk and the only to host a documentary on dentistry for National Geographic. Recently, Dr. Stanley co-founded Missing Link, the world’s first AI powered communication tool that will bridge the gap between dentists, general practitioners and patients.

Dr. Stanley spends most of his days in the clinic working with his team, transforming and improving the lives of his patients.

Explore his insights further through his podcast “Biting into Healthcare”, and delve into his impactful work at miguelstanley.com.

Curriculum Vitae

1999 - Present

Founder & Clinical Director of the White Clinic

Lisbon, Portugal

whiteclinic.pt

2012

Book release

"Saúde, no Caminho para a Felicidade", published by Grupo Leya

Congresses Organized

SENAME Congress

12th SENAME International Congress

SENAME addresses all matters related to implantology, a specific area of Dental Medicine and organizes an annual congress inviting the world's most famous doctors and scientists to share their knowledge. SENAME was founded in 1999 and it is represented internationally in 17 countries. SENAME strongly invests in the future of implantology and in 2015 held its annual event in Lisbon, hosted by Dr. Miguel Stanley. The event supported development and research in the field of implant dentistry and promoted new talents. Named "The Future of Dentistry" this event included 23 world recognized keynote speakers.

Social and Charitable Contributions

Mundo a Sorrir

www.mundoasorrir.org

White Clinic helps underprivileged children with free dental care, including orthodontics so that they can look better and earn a better living in the future. As an active member, Dr. Miguel Stanley personally helps promote and develop the association. In December 2016, Dr. Stanley organized a concert in which he performed 12 original tracks to an audience of over 300 people with all profits being donated to Mundo a Sorrir and The Humble Smile Foundation.

The Humble Smile Foundation & The Humble Brush

www.humblesmile.org

Association that helps children in need of oral care and produces ecological, biodegradable bamboo toothbrushes. Dr. Miguel Stanley is a Global Ambassador for the foundation since 2016.

END IOM

www.endiom.org

Dr. Stanley was invited by Prof. Raman Bedi (Kings College London and former CDO of the United Kingdom) to lead the fight against Infant Oral Mutilation as part of The Global Child Dental Fund.

Training

Degree as a D.D.S.

at Instituto Superior de Ciências da Saúde - Sul in Lisbon, 1998

Implant Surgical Training Course

administered by Dr. Dennis Tarnow from the New York University College of Dentistry in Lisbon, 1999

Postgraduate Degree and Implant Training

at the Branemark Centre - CEOSA in Madrid, Spain, 2000/2001

Clinical Internship

with Paulo Maló, at the Clínica Maló in Lisbon, 2002

Dental Aesthetic courses from the postgraduate degree

at CEOSA, in Madrid, Spain, 2001/2002

"Occlusion Guided Aesthetics"

Hornbrook Group, Chicago, 2005

Since 2000

Dr. Stanley has completed over 100 verified CPD (Continuing Professional Development) per year, which is standard practice to remain active in the GDC in the UK.
